

## Softwrist™ Solo (SWS-001) \$12.95

Our original wrist rest for mouse and trackball users. A popular, long-time favorite for computer mouse and trackball users.

---

## Softwrist™ Duo (SWD-002) \$25.95

A two position keyboard wrist rest. The placement of the individual pads on the keyboard wrist rest are adjustable for a personalized fit. This is your best selection for a keyboard wrist rest if you don't use your 10-key pad and arrow/navigation keys frequently.

---

## Softwrist™ Trio (SWT-003) \$38.95

A three position keyboard wrist rest. Includes a wrist rest position for the 10-key pad on your keyboard. This is your best selection if you use your 10-key pad and arrow/navigation keys frequently.

---

*"The goal of ergonomics is to fit the work environment to the person and to improve their interaction with their work environment."*
